Toyota Corolla offers the best 4 door sedan for inconspicuous protection available. With the high threat of urban violence in many countries the low key look of the Toyota Corolla will fit in without drawing any attention to the driver and occupants. A very stylish vehicle with full ballistic protection at a very affordable price.

Toyota Camry offers the best 4 door sedan for inconspicuous protection available. With the high threat of urban violence in many countries the low key look of the Toyota Camry will fit in without drawing any attention to the driver and occupants. Now Pak Armoring has married the success and dependability of the Best selling Toyota Sedan with the complete sense of personal security protection.
